Helping to care for adults with life threatening illnesses in Central Surrey

Since 1996 Woking Hospice has provided specialist care for adults with a life threatening illness. Our aims are to care for patients and all their needs, giving them the best possible quality of life and provide support for their families and carers. **This service is completely free of charge.**

The demand for this care continues to grow, so without fundraising initiatives such as the lottery the Hospice would be unable to sustain its present service, much less meet these new demands.

If you play the National Lottery do you know where your money is going? How high are the odds of you winning anything? For the same price you have a much better chance of being a winner and **in supporting the Woking Hospice Lottery you can be confident that ALL profits go directly to funding your local hospice.**

How it works

For just £1 per week you will be allocated a membership number(s), which remains yours for as long as you wish to keep playing. Every Friday, the lucky winners are selected at random (by computer) and prize cheques are issued automatically and posted to arrive the following week, so there is no need for you to claim.

How to join

Choose which method of payment you prefer and decide how many weeks you wish to play for to start with. You can have as many numbers as you wish (£1 per week per number).

Simply fill out the form below and enclose your cheque or complete the standing order mandate (payment by this method helps reduce our administration costs). Tear off the bottom half of the leaflet, seal the edges and return to us. We will take care of the rest and notify you of your membership number(s).

If you have any queries on how to become a member of the Woking Hospice Lottery then just call the lottery hotline. **(Players must be 16 years or over).**

First draw 30th July 2004 and each Friday thereafter
